

Tisheri 15-21/ Sept 27-Oct 5 2015 Feast of Tabernacles (Succot)

- **Israelites in booths in wilderness. Israelites commanded to rejoice! After (Yeshua/Jesus) return, God will dwell in tabernacle with man. See Lev. 23:33-44; Deut. 16:13-15; Zech 14:16-19; Rev 21:3**

**10-Things that make you go Hmmm!
All these dates are worth investigating**

1. Pope Francis (Religious Figure) will be in the USA on the 23rd to meet with President Obama. Pope Francis is the 266th Pope; He will be here on the 266th day of the year and it takes a child from conception 266 days for their birth. Hmm! Could he be here to announce the BIRTH of something NEW? As in NWO? Hmm! He will be addressing Congress as well as the United Nations. No Pope has ever done this before.

2. The Ancient Malachy Prophecy: St. Malachy of Armagh, Ireland (1049-1148) was an Irish Bishop, prophet and seer. Worth researching this one! You decide!

3. The United Nations will be hosting its 70th session on September 15, 2015. One of the topics of this session is Recognizing Palestine as a State; resulting in Israel becoming a two state nation. (Dividing the Land-This act will bring the Judgement of God) If my suspicions are the same as they were for the Same-sex decision, I believe that the UN will divide the land. In the past the United States has blocked this decision. President Obama has stated that this time might be different. NOT GOOD! For America!

4. CERN-LHC Large Hydron Collider: Believes that in the fall (Late September 2015) they will open up portal-gates of hell-abys. See Revelation 9:1-12 NOT GOOD! See You Tubes: What the Church needs to know about CERN; "CERN, opening up the abyss". They happen to have 666 as the company's logo. They also have the Hindu god Shiva out front of their Campus. The videos will educate you. NOT GOOD!

5. Tomorrow Land. They have been hosting these concerts for years overseas. They are planning to have a "KEY TO HAPPINESS" concert in Atlanta, Georgia on the 25-27. This has been planned in conjunction with CERN's success of opening of the abyss. BTW in the past these events draw up to 1.5million people. Their goal this year is to join people with machines. (Something straight from the pit of Hell!) Remember Rev.9:1-12.

This is all part of the Luciferin/Illuminati, to roll out the NEW WORLD ORDER. Believe this are not, this is just how close we are to seeing this world turned upside down. Saints, what you see Beyonce, Miley Cyrus, Willow and Jaden Smith doing; is the blueprint for this utopia world that satan has planned for them. This sounds far-fetched until you see the videos that God has allowed me to see. See Youtube Tomorrow Land Exposed 2015, Beyonce's 7/11 exposed and Jaden and Willow Smith exposed. Pray as you view this information. PURE UNGODLY!

6. JADE HELM Military exercises in 7 States in America. These exercises are supposed to be completed by the end of September. Hmm! Some believe that they are preparing for some type of civil unrest in America. The unrest in Ferguson, Baltimore and other areas throughout this country could actually be a precursor of what's to come. See JADE HELM You Tubes.

7. The Walmart's that closed mysteriously are due to reopen by September 15, 2015. Hmm! Not really sure on this but some are reporting that the military is set up in these closed locations. Hmm! FEMA CAMPS???

8. Federal Reserves have moved their offices to Chicago and it is believe the reason is just in case something happens in NEW YORK!

9. Madonna is currently on tour in the US. Rebel Heart Tour. SEPTEMBER 12 Washington DC', 16, 17 Madison Square Garden NY, 19th Barclays Center Brooklyn NY, 24th Wells Fargo Center Phil, Sept 26th TD Garden Boston, **Sept 28th** Chicago ILL. Songs listed: Living for Love, Devil Pray, Ghost-town, Illuminati

10. The Federal Reserve is at a stand-still with raising interest rates 2pts. Markets around the world are so shaky that they are waiting til after the Shemitah and day of Atonement weeks to make a decision. Their fear is a market collapse.

No matter what occurs in this world during this season. Our trust and confidence will rest in God. He took care of Daniel in the lion's den, He took care of the Hebrew boys in the fiery furnace, He brought the Israelites through the Red Sea, He collapse the walls of Jericho, He used David to take down Goliath, He used Sampson to wipe 1000 Philistines with a jawbone of a donkey and He used Gideon to defeat a great army of men with only 300 men. Saints, God has us covered. And if this time is uneventful, like JOB said, "yet will I trust Him".
